

***Merry Christmas!
Happy
New Year!***

The annual **PRO SHOP CHRISTMAS PARTY AND SALE** is this

Friday, December 3rd from 5:30 PM until 8:00 PM. We will have pretty much everything on sale, but more importantly, we will have some of Audrey's fine food and free drinks for your enjoyment. So please join us down in the Pro Shop for a little Christmas cheer and ice cold beer!

We are going to try something a little different with the **MEN'S STAG** this year...we moved it to Saturday December 11th. We thought that by moving it to a Saturday night people would not have to worry about getting up and going to work the next day. Hopefully it won't interfere too much with everyone's Christmas Party Calendar and we will see a lot more faces this year.

Now that the snow has shut us down the Pro Shop will be open sporadically so please call before you drive out. If no one answers you can always call my cell phone (Rob: 672-3701) or Jesse's (671-8588) and we will meet you there. Also we will gladly transport your clubs into town if you are headed out of town and don't want to drive out to the Club, just let us know.

We wish you all a Merry Christmas and a Prosperous New Year!

News *from the* GENERAL MANAGER

Brian Neely

Thank you for allowing me to serve you as GM of the Briarwood. I look forward to some fun and exciting events coming up in the next couple months.

On December 11th, we will be having the Stag event which starts around 7 pm and goes until ?

Then we will be having a New Year's Eve party with steak and lobster. This will be a party to remember. Please call for a reservation! We will have a band or DJ along with a dance floor, so come show us your best moves.

In January, we will be having a comedy show and our first out of town golf trip to the Los Angeles area. Some of the courses being looked at are down in the Newport Beach/San Diego area.

February will be a busy month with two golf trips planned. The first will be a couple's trip to either Cabo San Lucas or the Mexican Rivera. Everyone is encouraged to go whether you play golf or not. If you like to lie out and get some sun, whale watch or go shopping, then this is the trip for you. There will also be a Murder/Mystery type show with a dinner around the middle of the month. A golf trip to the north Phoenix area will finish out the month with Desert Mountain and The Boulders as a few of the courses we are looking to play. In March, we will be heading to Las Vegas for some golf, shows and gambling.

Please call me or stop by the Clubhouse to sign up or to get more information on these events. We will be firming up dates, times and pricing as time goes by and will get that information to you as it becomes available.

I would like to thank the Board, Membership and Staff for making me and my family feel part of your community.

News *from the* MAINTENANCE DEPARTMENT

Sean Sullivan, CGCS

The snow storm that hit the golf course, the week before Thanksgiving, has put the course to bed for the winter. Up until then the course was still green and playable. The 8" of snow, also, help to insulate the grass from the below zero temperatures. Projects that were slated for December and January are now at the mercy of the snow cover. If the snow cover persists Brian and I will be working on the repairs and maintenance of all the equipment at the shop.

Happy holidays to all and thanks for your continued support.

"Use it or Lose it" Reminder

**December is the last month for "Use-it-or-lose-it"!
Please check the December calendar and plan accordingly.**

A big “Thank You” to our members who attended our wine tasting and our Cat/Griz tailgate party. Everyone who attended told me they had a blast.

In January we will be putting together more events like our wine tasting.

In December, Briarwood will be selling some select bottles of wine at a \$1.00 over our cost. Stop by the clubhouse to get a price list and pick up some holiday cheer.
